INGLEWOOD, N. J.

LILLIE SHOSTAC STRUNSKY
Landscape Architect and Contractor
In lieu of a descriptive catalogue, we welcome garden queries from our customers, and seek requests for aid in the artistic planting of the herbaceous perennials enumerated in our price list. Our landscape services, whether for the big or little place, are at your command.
### Price List of Herbaceous Perennials

Prices, except where noted, 15c. each; $1.50 per dozen; $10.00 per 100. Extra size clumps, 25c. each. Six plants at dozen rate, twenty-five at hundred rate. Local delivery free of charge.

Write for prices of Roses, Evergreens, Trees, Shrubs and Vines.

The plants in this list are all hardy perennials, and remain outdoors the year round without protection. They may be planted in the Fall or Spring of the year, and require almost no care thereafter. They are the old-fashioned favorites come once more into popular favor, and there is no longer excuse for a garden to remain devoid of their flowery charms.
